ΑΝΑΠΤΥΞΗΣ ΚΑΙ ΕΠΕΝΔΥΣΕΩΝ

Project Partners:

- Department of Informatics and Telecommunications/
Laboratory of Cultural Technology
- University of Macedonia
- Content Management in Culture P.C., Comic
- EuroAction

Project Name : History in Cities - Augmented Reality Tools and Applications

Project Goal: The utilization of the large amount of information (historical, cultural, etc.) that is hidden behind the names of the streets in modern urban environments. The project highlights this information through the use of augmented reality on mobile devices and augmented reality glasses.

Project Budget: 557.700,00 €
